NIVAK FLORYA - Luxury Living in the Heart of Vibrant Istanbul

The "NIVAK FLORYA" project is a luxurious residential and investment destination located in the prestigious Florya area, one of the most sought-after neighborhoods in Istanbul. Thanks to its strategic location in the heart of the city and its proximity to the coastline, the project perfectly combines the beauty of nature with modern architectural design. It's not just a residence, but a premium lifestyle experience tailored for families and business professionals seeking comfort and luxury.

Location

NIVAK FLORYA is located in one of Istanbul's most luxurious areas, Florya, attracting families and business professionals due to its high-end ambiance and central location. The project is surrounded by several key landmarks, such as Atatürk Marine Mansion, Güneş Beach, and the famous Aqua Florya Mall connected to the Aquarium complex. In addition, it's close to the recreational Atatürk Forest and adjacent to Atatürk Airport, which is set to become Turkey's largest park.

The location also provides easy access to the Asian side of Istanbul through the Eurasia Tunnel, as well as convenient connections to main transportation routes like D100 and E5 highways. Nearby metro stations include Marmaray and M1 Metro, ensuring a seamless and flexible commute.

Services and Facilities

NIVAK FLORYA offers a comprehensive living experience with a variety of services and amenities that ensure the highest standards of comfort and luxury:

- Leisure and Wellness Facilities: The project includes a 1,200 square meter social area, separated between men and women, featuring sauna, steam rooms, massage rooms, and an indoor pool of 368 square meters.

- Entertainment Zones: A 260-square-meter play area for children and all ages, featuring trampolines, a climbing wall, billiards, and a PlayStation.

- Mosque: A dedicated mosque space of 85 square meters.

- Sports Facilities: Dedicated walking and cycling paths.

- Security Services: A comprehensive 24/7 security system.

- Parking: Each building has its own private parking area.
