Amaya Residences at Al Furjan, Dubai, presents a modern residential opportunity designed for both investors and end users. This exclusive development features only 77 units, offering a private and low-density living environment in one of Dubai’s fastest-growing communities.
The project includes a range of thoughtfully designed apartments, with sizes starting from 67 sqm up to over 320 sqm, catering to different lifestyle needs. Residents will benefit from contemporary architecture, high-quality finishes, and a full range of amenities including a swimming pool, fitness center, landscaped areas, and dedicated parking.
Strategically located in Al Furjan, Amaya Residences provides easy access to Sheikh Zayed Road, Ibn Battuta Mall, and Dubai Marina, ensuring convenience and strong connectivity across the city.
With an expected completion in Q1 2027, the project offers an attractive investment opportunity with strong potential for capital appreciation and rental returns in a high-demand area.

Amaya Plots: Jeddah's Premier Development Land Opportunity
Amaya Plots represent one of Jeddah's final large-scale land opportunities in a prime central location, spanning a massive 1,000,000 sqm master-planned mixed-use community anchored by the luxurious Trump Plaza. Perfect for visionary developers and investors eyeing high-ROI custom builds amid Saudi Arabia's Vision 2030 boom.
Strategically positioned along Al-Amal Avenue—linking historic Old Jeddah to King Abdulaziz Road and vibrant Al Shatea district—Amaya boasts flat, construction-ready topography with full utilities, proximity to King Abdulaziz International Airport, Jeddah Corniche, and the annual 1.9 million Hajj/Umrah pilgrims route. This gateway positioning fuels exceptional connectivity and demand.
