Delmare is the 21 st project of Şengel Construction that will be build at Kuşadası. The project has been designed for winter and summer usage. The blocks has a marvelous panoramic sea view. DELMARE RESIDENCE consists of 3 blocks, which are designed with charming views of the sea and the natural beauty.

In our project each apartment has it's own privileges with the location and offers a selection of 3 bedroom and 2 bedroom style. So inspiring that everyone can dream of having and so extraordinary with details. A scientific wonder thought out with all the details, in order to simplify the life

A privilege of an opportunity to be reach, for those who believe dreams can come true. When you say you are "In a charming scene and a quiet, serene life" infact you are in the hearth of the city... For those who dream of a peaceful waking up in unison with sophisticated design and Awe-inspiring nature the choice is Delmare. Delmare, striking contemporary and innovative details, reflects the blue of the Aegean Sea and the Mediterranean climate harmony. From Fitness room, indoor swimming pool, observation terrace to sauna and fulfill all the requirements with the complete design of every detail ..
